

Early Action Compact Strategy	Quantify	Pollutant	County
Alternative Fuel Vehicle			
Golf Carts. Replace gasoline golf carts with electric golf carts.	Y	NO _x , VOC, PM	Berkeley, Florence, Richland
Hybrid Vehicles. Purchase and promote the use of hybrid vehicles where appropriate.	Y	NO _x , VOC, PM	Anderson, Charleston, Cherokee, Greenville, Spartanburg
Alternative Fuel Vehicles. Purchase fuel-efficient and low emissions vehicles when possible.	Y	NO _x , VOC, PM	Abbeville, Barnwell, Berkeley, Charleston, Darlington, Edgefield, Greenwood, Marion, Marlboro, Sumter
Clean Fuels / Alternative Fuels			
Alternative Fuels Use. Incorporate or promote the use of alternative fuels where possible.	Y	NO _x , VOC, PM	Aiken, Anderson, Charleston, Darlington, Greenville, Greenwood, Marion, Pickens, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Alternative Fuels Use. Plan for the use of alternative fuels where possible.	Y	NO _x , VOC, PM	Anderson, Barnwell, Cherokee, Clarendon, Florence, Greenville, Greenwood, Lancaster, Lexington, Richland, Spartanburg, Sumter
Commuter Choice			
Alternate Work Schedule Policy. Develop and implement an alternate work schedule policy for county and local government. Encourage businesses and industries to implement alternate work schedule policy where appropriate.	DS		Abbeville, Charleston, Cherokee, Chester, Greenwood, Lancaster, Lexington
Staggered Hours / Flex Hours. Allow staggered and flex hours in scheduling work and work hours.	Y	NO _x , VOC, PM	Anderson, Berkeley, Dorchester, Greenville, Richland, Spartanburg
Telecommuting. Create a telecommuting policy. Provide support and necessary supplies for telecommuters.	Y	NO _x , VOC, PM	Anderson, Florence, Greenville, Greenwood, Spartanburg
Teleconferencing. Encourage the use of teleconferencing, and provide teleconferencing facilities and technologies.	Y	NO _x , VOC, PM	Greenwood

Early Action Compact Strategy	Quantify	Pollutant	County
Carpools / Van Pools. Promote and support carpools / van pools as an employee commute option and for work-related travel.	Y	NO _x , VOC, PM	Anderson, Barnwell, Charleston, Cherokee, Dorchester, Florence, Greenville, Laurens, Pickens, Richland, Spartanburg
Carpools / Van Pools Incentives. Evaluate and use financial incentives to promote carpools / van pools.	DS		Anderson, Cherokee, Greenville, Horry, Spartanburg
Carpools / Van Pools Incentives. Use preferred parking to promote carpools / van pools.	DS		Dorchester, Florence
Carpools / Van Pools at Schools. Implement carpools at schools for students and teachers. Increase school bus ridership.	Y	NO _x , VOC, PM	Lancaster, Pickens
Mass Transit Incentives. Evaluate and use financial incentives to promote and increase mass transit ridership.	DS		Anderson, Greenville, Pickens, Spartanburg
Mass Transit. Promote mass transit as a transportation option.	Y	NO _x , VOC, PM	Anderson, Cherokee, Dorchester, Greenville, Greenwood, Pickens, Richland, Spartanburg, York

Early Action Compact Strategy	Quantify	Pollutant	County
Shuttle Service. Provide shuttle service between park and ride facilities and businesses / industries. Consider using shuttle services for special events.	Y	NO _x , VOC, PM	Anderson, Cherokee, Dorchester, Greenville, Spartanburg
Multi-Modal. Promote and support multi-modal transportation through educational efforts, funding / infrastructure, and planning.	Y	NO _x , VOC, PM	Anderson, Charleston, Cherokee, Greenville, Greenwood, Spartanburg
Park and Ride. Establish park and ride facilities along major routes of travel, at empty sites yet to be developed (areas of an industrial park), and large, existing parking lots (churches, shopping centers, etc.).	Y	NO _x , VOC, PM	Anderson, Berkeley, Cherokee, Chester, Greenville, Lancaster, Lexington, Pickens, Spartanburg
Park and Ride. Evaluate the need and demand for park and ride facilities by studying commute patterns. Set carpooling / van pools goals based on the commute patterns, and promote park and ride facilities to reach those goals.	Y	NO _x , VOC, PM	Cherokee, Chester, Dorchester Florence, Horry, Lancaster
Education / Outreach			

Early Action Compact Strategy	Quantify	Pollutant	County
Air Quality Contact. Assign an Air Quality Contact. Duties may include assisting in air quality education / outreach, disseminating the ozone forecast, etc.	DS		Aiken, Allendale, Anderson, Bamberg, Barnwell, Beaufort, Berkeley, Calhoun, Charleston, Cherokee, Chester, Chesterfield, Clarendon, Colleton, Darlington, Dillon, Edgefield, Fairfield, Georgetown, Greenville, Greenwood, Hampton, Horry, Jasper, Kershaw, La
Education / Outreach - Business and Industries. Work with businesses and industries to provide air quality outreach efforts.	DS		Dorchester, Sumter, Williamsburg

Early Action Compact Strategy	Quantify	Pollutant	County
Education / Outreach - General. Promote air quality education / outreach and awareness to employees and the public.	DS		Allendale, Anderson, Barnwell, Berkeley, Calhoun, Charleston, Cherokee, Dorchester, Florence, Greenville, Greenwood, Horry, Kershaw, Lancaster, Marion, Oconee, Orangeburg, Pickens, Richland, Spartanburg
Education / Outreach - Schools. Work with schools and colleges to provide and promote air quality education / outreach and awareness.	DS		Abbeville, Clarendon, Dorchester, Lee, Marlboro, Sumter
Financial Incentives. Create financial incentives / tax credits that provide air quality benefits. Promote and support such incentives / tax credits.	DS		Anderson, Cherokee, Greenville, Pickens, Richland, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Media. Utilize local media for education/outreach activities, ozone forecast, PSA's, etc.	DS		Abbeville, Anderson, Berkeley, Charleston, Cherokee, Clarendon, Darlington, Fairfield, Florence, Greenville, Greenwood, Lancaster, Oconee, Orangeburg, Spartanburg, Sumter
Fueling / Refueling. Create fueling / refueling guidelines or policy to be used routinely or on Ozone Action Days. Include measures outlining when to refuel (after 6) and not to top off the tank.	Y	NOx, VOC	Abbeville, Calhoun, Cherokee, Dorchester, Florence, Greenville, Greenwood, Marion, Richland, Spartanburg
Landscaping / Mowing. Create a policy to reduce emissions from activities involving landscaping / lawn equipment. Policy may apply to daily activities or on Ozone Action Days.	Y	NOx, VOC	Abbeville, Barnwell, Berkeley, Calhoun, Charleston, Cherokee, Fairfield, Florence, Greenwood, Laurens, Lee, Marion, Oconee, Richland, Sumter

Early Action Compact Strategy	Quantify	Pollutant	County
Paint / Painting. Create a policy to reduce emissions from low-VOC content paint and painting activities. The policy may include daily restrictions or Ozone Action Day restrictions.	Y	VOC	Barnwell, Berkeley, Calhoun, Cherokee, Dorchester, Florence, Laurens
VMT. Create policies that reduce VMT on Ozone Action Days. Consider eliminating trips, staying in for lunch, etc.	Y	NOx, VOC, PM	Barnwell, Chester, Darlington, Marion
Energy			
Energy Consumption. Develop a policy or set goals to decrease energy consumption. Measures could include turning off lights and computers, adjusting thermostat controls, etc.	Y	NOx	Barnwell, Berkeley, Calhoun, Darlington, Dorchester, Greenwood, Horry, Marion
Green Power. Implement a Green Power program. Green power can be derived from solar, wind, landfill gas, etc.	Y	NOx	Anderson, Berkeley, Cherokee, Greenville, Lexington, Pickens, Spartanburg
Energy Efficiency. Promote energy awareness and support energy efficiency research.	Y	NOx	Anderson, Cherokee, Florence, Greenville, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Energy Efficiency. Develop a policy to use and promote the use of energy efficient products, such as Energy Star, better lighting, higher grade insulation, white roofs, etc.	Y	NOx	Anderson, Berkeley, Charleston, Cherokee, Chester, Dorchester, Greenville, Oconee, Richland, Spartanburg
Enforcement			
Open Burning. Create policies that restrict or ban open burning. Policies may be enacted year-round or on Ozone Action Days and may target various materials burned.	Y	NOx, PM	Abbeville, Anderson, Barnwell, Cherokee, Darlington, Florence, Greenville, Lancaster, Marion, Oconee, Richland, Spartanburg, York
Fleet Scrappage			
Financial Incentives. Use financial incentives to create funding for implementing fleet scrappage, addressing high-emitters, or retiring older vehicles.	DS		Anderson, Cherokee, Greenville, Spartanburg
Fleet Scrappage. Implement a fleet scrappage or retirement program.	Y	NOx, VOC, PM	Anderson, Cherokee, Greenville, Spartanburg
Idling Policy			
Idling Reductions. Encourage schoolbuses to reduce idling.	Y	NOx, VOC, PM	Dorchester, Lancaster
Idling Reductions. Promote idling reductions in parking garages and other facilities such as warehouses.	Y	NOx, VOC, PM	Charleston

Early Action Compact Strategy	Quantify	Pollutant	County
Idling Reductions. Provide electrical power or electrical hookup to reduce or eliminate idling for long haul trucks or other vehicles, such as ambulances.	Y	NO _x , VOC, PM	Horry, Richland
Idling Reductions. Create policies to reduce idling from county/government vehicles.	Y	NO _x , VOC, PM	Abbeville, Barnwell, Darlington, Florence, Greenwood, Lexington, Marion, Picken, Sumter
Idling Reductions. Create policies that reduce idling from delivery supply trucks.	Y	NO _x , VOC, PM	Florence, Sumter
Industries and Utilities			
Statewide Efforts. Support statewide efforts by coordinating NO _x reductions at specific facilities.	Y	NO _x	Aiken, Anderson, Cherokee, Greenville, Spartanburg
Emissions Inventory. Create and maintain an inventory of emission sources (point/area).	DS		Anderson, Cherokee, Greenville, Spartanburg
Financial Incentives. Work to attract low emission industries through education and tax incentives.	DS		Berkeley, Lancaster, Oconee
Planning			
Contract Specifications. Consider air quality goals in contract bids and specifications.	Y	NO _x , VOC, PM	Edgefield, Pickens, Marlboro, Oconee
Best Management Practices. Develop Best Management Practices for construction and development projects.	Y	NO _x , VOC, PM	Anderson, Cherokee, Florence, Greenville, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Best Management Practices. Develop Best Management Practices for environmental impacts (emissions and dust) for construction projects.	Y	NO _x , VOC, PM	Anderson, Cherokee, Greenville, Spartanburg
Financial Incentives. Develop incentives for mixed-use, compact, and cluster developments.	DS		Greenwood
Financial Incentives. Create financial incentives to assist in air quality	DS		Dorchester, Marlboro
Green Communities. Create and support tree-planting and tree-preservation ordinances, greenspace initiatives, landscaping buffer requirements, etc.			Berkeley, Fairfield, Horry, Oconee, Richland, Sumter
Speed Limits. Modify speed limits for optimum air benefits. Actively enforce speed limits to achieve air quality benefits.	Y	NO _x , VOC, PM	Anderson, Cherokee, Greenville, Oconee, Spartanburg
Planned Growth. Ensure planned growth includes land-use and transportation strategies that benefit air quality.	Y	NO _x , VOC, PM	Anderson, Cherokee, Darlington, Fairfield, Greenville, Greenwood, Lancaster, Oconee, Richland, Spartanburg, York
Route Efficiency. Promote route efficiency for delivery vehicles, trash collection, etc.	Y (?)	NO _x , VOC, PM	Anderson, Cherokee, Greenville, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Transportation Technologies. Utilize Intelligent Transportation System (ITS) and congestion management measures. Measures include advisory message boards, high occupancy vehicle lanes, traffic light synchronization and computerized traffic lights, intersection improvements, left turn arrows and lanes, and street and curb design.	Y	NO _x , VOC, PM	Anderson, Cherokee, Florence, Greenville, Greenwood, Horry, Lancaster, Spartanburg, York
Stakeholder Activities			
Stakeholder Activities. Develop stakeholder group for support of Early Action Compacts.	DS		Anderson, Berkeley, Dorchester, Greenville, Lancaster, Marlboro, Oconee, Orangeburg, Richland, Spartanburg
Stakeholder Activities. Join and participate in Clean Cities (Palmetto State Clean Fuels Coalition).	DS		Richland

Early Action Compact Strategy	Quantify	Pollutant	County
Statewide Efforts. Support statewide efforts.	DS		Aiken, Allendale, Bamberg, Barnwell, Beaufort, Calhoun, Chesterfield, Clarendon, Colleton, Dillon, Edgefield, Fairfield, Georgetown, Hampton, Horry, Jasper, Kershaw, Laurens, Lee, Marlboro, Newberry, Orangeburg, Saluda, Sumter, Union, Williamsburg
Vehicle Care, Repair, and Retrofits			
Heavy Duty Diesel. Support and take advantage of heavy duty diesel initiatives and encourage the use of retrofit technology.	Y	NOx, VOC, PM	Charleston, Pickens
School Buses. Promote or implement measures for better or cleaner school buses (new or retrofitted).	Y	NOx, PM	Anderson, Cherokee, Greenville, Pickens, Spartanburg

Early Action Compact Strategy	Quantify	Pollutant	County
Vehicle Maintenance. Promote and encourage vehicle care, repair, and maintenance to maintain and achieve air quality.	Y	NO _x , VOC, PM	Berkeley, Florence, Greenwood, Oconee, Pickens
